CONFERENCE ON ESCIENCE**

**'26 eScience
NAPLES, ITALY**

Date :
September 28 – October 2, 2026

HOSTED BY

UNIVERSITÀ DEGLI STUDI DI NAPOLI
PARTHENOPE

About the conference

IEEE eScience 2026 brings together leading interdisciplinary research communities, developers and users of eScience applications and enabling IT technologies.

The objective is to promote and encourage all aspects of eScience and its associated technologies, applications, algorithms and tools with a strong focus on practical solutions and challenges.

eScience promotes innovation in collaborative, computationally – or data – intensive research across all disciplines, throughout the research lifecycle.

Paper submissions

Submissions may include all aspects of eScience and its associated technologies, applications, algorithms, and tools, with a strong focus on practical solutions and open challenges. Ideal papers involve the interplay between applications and infrastructure technologies, with an emphasis on novelty.
